SPORTS GOALS

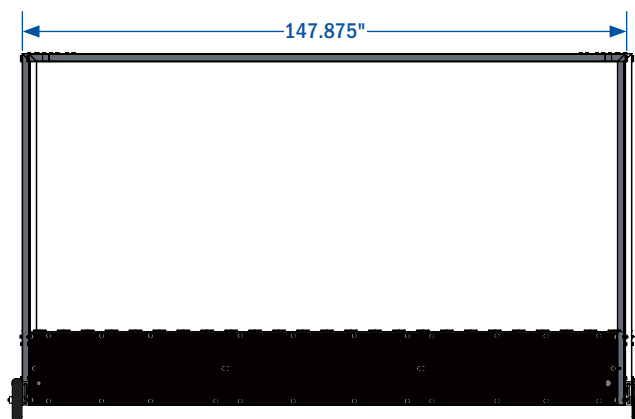

- FIELD HOCKEY
- LACROSSE
- SOCCER
- SOCCER GOAL CONNECTOR

RULE AND STANDARD COMPLIANCE FIH, NCAA & NFHS

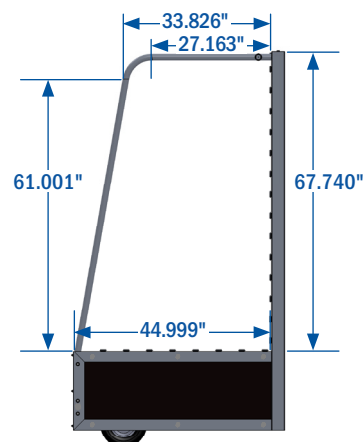

DESCRIPTION & FEATURES:

- **Official Size:** 12' W x 7' H x 4' D
- Durable four-piece construction designed for easy assembly and long-lasting performance
- Rigid welded side frame construction with reinforced corner areas for added strength and stability
- Integrated welded aluminum net attachment system for secure net installation
- Quick assembly by two people in minutes
- **Lightweight Design:** 200 lbs per goal
- Includes (12) stainless steel tamper-resistant fasteners per goal for added security
- Equipped with (2) removable 10" pneumatic wheels per goal for easy mobility

CONSTRUCTION:

- Front and rear crossbars/uprights constructed from 2" x 3" square aluminum extrusion for superior strength and durability
- 1/4" Backboards constructed from heavy-duty polycarbonate (PC)
- High-strength 4 mm. chord, 100 mm. mesh polypropylene net provides reliable performance and durability
- Heavy-duty 3/8"-16 stainless steel connecting screws ensure secure assembly

RULE AND STANDARD COMPLIANCE NCAA & NFHS

DESCRIPTION & FEATURES:

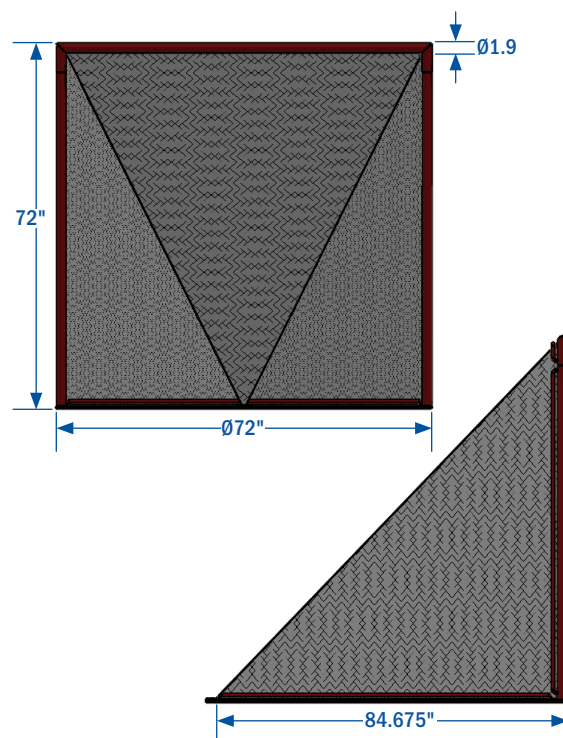

- Official size 6' wide x 6' high x 7' Deep
- Sturdy welded goal mouth construction
- 1.90" OD aluminum extrusion with 4" steel flat bar bottom
- Continuous net attachment system
- 10-year warranty on aluminum and steel-manufactured components

CONSTRUCTION:

- **Crossbars/Uprights:** 1.9" OD aluminum tubing
- **Ground Frame:** 4" Flat steel bar
- **Net:** 5 mm. high strength polypropylene net

FINISH:

- Sandblasted and electrostatically powder-coated regulation orange

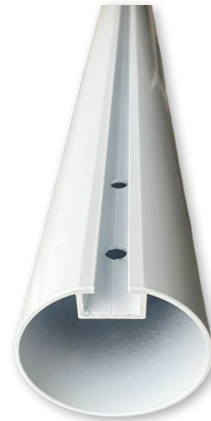

Feel like you're at the Champions League with UCS's World Cup Series Soccer Goal. With uprights and stanchion secured deep into the ground to ensure stability, our soccer goal will make you feel like you are winning the World Cup when you score. Tighten the soccer net as you please to create the ultimate box appearance.

PRODUCT SPECIFICATIONS

PRODUCT WEIGHT - 235 lbs.
HEIGHT - 8'
WIDTH - 24'
DEPTH - 6'
BASE - 6'
FINISH - Powder Coated White

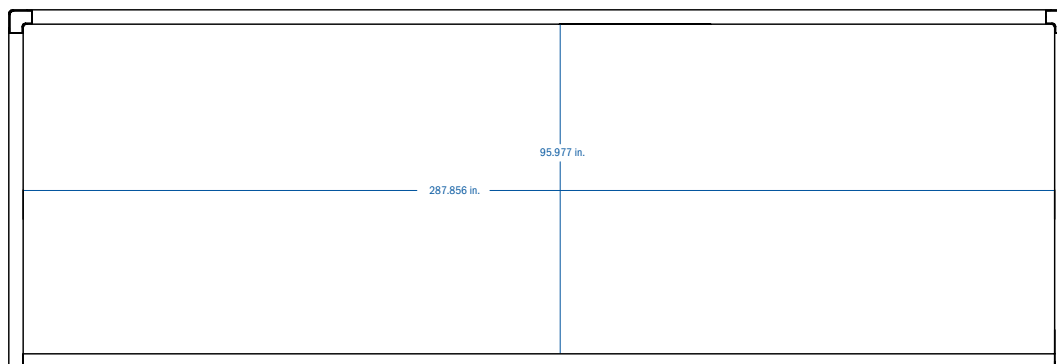

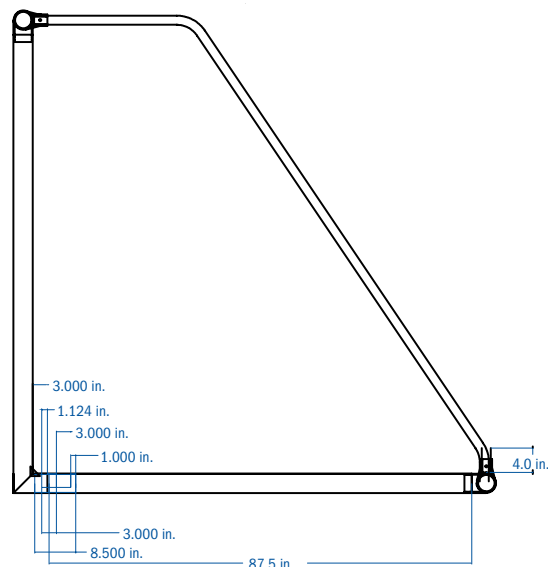

DESCRIPTION & FEATURES:

- Lightweight 4" round aluminum tubing with built-in channel for effortless soccer net attachment
- 2" Round aluminum frame with built-in channel to fasten the net around the base of the goal
- Ultimate safety with our soccer goal being designed and tested to meet ASTM Standard F2950-14, FIFA and NCAA/NFHS Rules

- **Ground bars** constructed from custom D-shaped rounded aluminum extrusions, 4" x 4", with .100"–.150" variable wall thickness
- **Backstay** constructed from 2⅜" OD Schedule 40 aluminum tubing with a .154" wall thickness
- **Net** constructed from high-strength polypropylene with 4 mm. cord and 100 mm. mesh openings
All connecting hardware utilizes ⅜"-16 stainless steel fasteners
- **FINISH** – Durable white powder-coat for long-lasting weather resistance and appearance

GOLD SERIES SOCCER GOALS

MODEL 900-1406 – GOLD SERIES SOCCER GOALS (PAIR) W/ (2) WHEELS – 4' X 6'
MODEL 900-1618 – GOLD SERIES SOCCER GOALS (PAIR) W/ (2) WHEELS – 6½' x 8½'
MODEL 900-1721 – GOLD SERIES SOCCER GOALS (PAIR) W/ (2) WHEELS – 7' x 21'

The UCS Gold Series Soccer Goal is an ideal solution for programs seeking a durable, lightweight goal with a clean, professional look. Featuring a 4" round powder-coated frame, this goal is engineered for long-lasting performance across training and competition environments.

KEY FEATURES & BENEFITS:

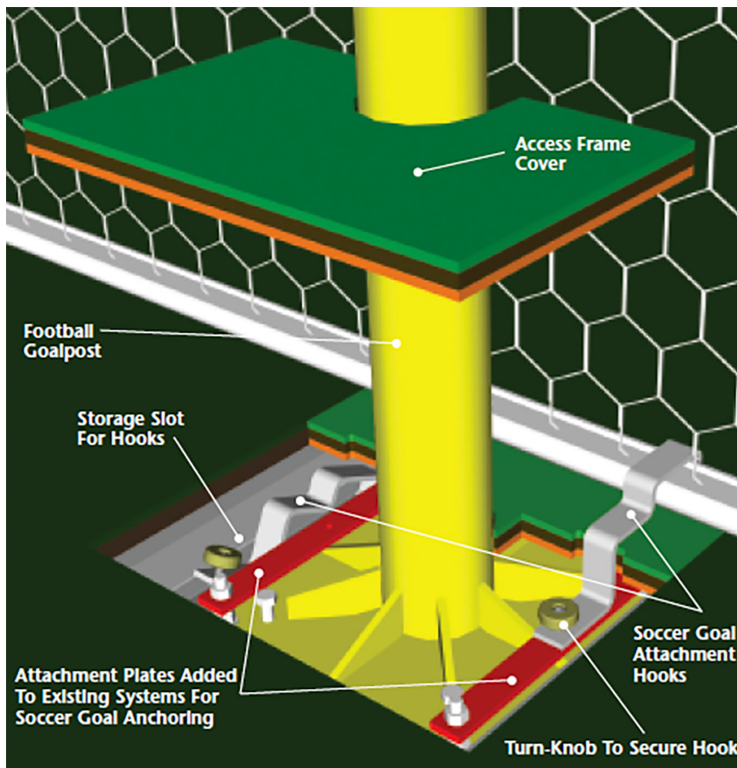

- **4" Round Frame with Integrated Channel**
Lightweight yet strong construction with a built-in channel for quick, secure net attachment
- **Secure Net Support System**
2" powder-coated base and backstay keep the net properly positioned during play
- **Enhanced Stability**
Galvanized steel ground bar acts as a counterweight to keep the goal firmly grounded
- **Durable Powder-Coated Finish**
Clean white finish resists wear, corrosion, and weather for long-term use
- **Safety-Driven Design**
Engineered and tested to meet: ASTM Standard F2950-14, FIFA guidelines, & NCAA / NFHS rules
- **Lifetime Manufacturer's Guarantee**
Backed by UCS for lasting confidence and peace of mind
