ATHLETIC FACILITIES

BENCHES

- TEAM BENCH
- TEAM BENCH WITH BACK
- TEAM BENCH WITH BACK & SHELF

MODEL 525-1107

7'6" Length, 18" Seat Height

MODEL 525-1115

15' Length, 18" Seat Height

DESCRIPTION OF COMPONENTS

- 9½" Wide Seating Planks
- 18" Seat Height

BASE:

Manufactured from 2" x 2" x ⅛" Zeneel structural square tubing, three times stronger than aluminum. All UCS Benches feature non-marring rubber pads on the bottom of bases.

PLANKING:

Extruded Aluminum Planking is capped for smooth edges.

WEATHER PROOF:

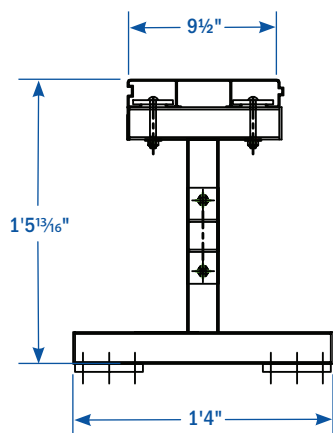

UCS Team Benches are always fully powder-coated ensuring a "like new" finish for years to come. You always have your choice of color at no additional charge (see below).

LETTERING:

Custom lettering is available on bench planking.

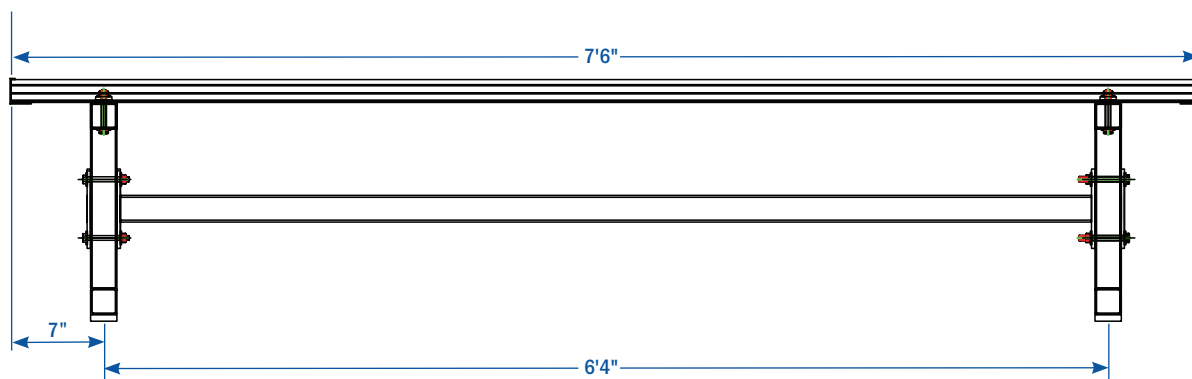

HARDWARE:

No exposed hardware or bench planking. Stainless-steel rust-resistant hardware provided.
